B2B HOW IT SHOULD BE.

elevation

newsletter

Hi Elastic user,

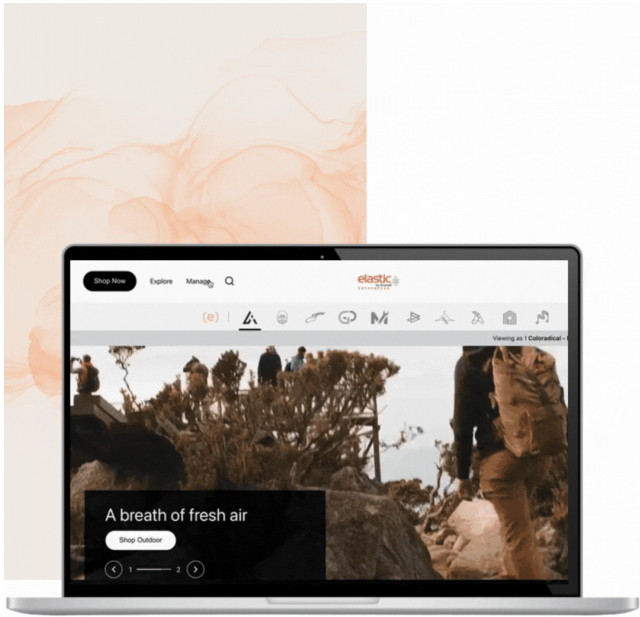

Welcome to the new Elevation Newsletter! Keep an eye out for quarterly updates and industry insights from the Elastic Suite team!

Pro Tip!

Did you know you can download all the product assets from your order?

That includes everything from photos to product descriptions!

Just click “Download Product Assets” from the sidebar menu in the Orders widget.

Training & Webinars

We partnered with the Association of Golf Merchandisers for best practices on running your sell-in meetings from both the sales rep and buyer perspective. We discussed golf brands & stores, but this webinar was for all!

WATCH THE RECORDING

Attention B2B Admins

The dashboard has a useful place to store all the resources reps and retailers could need! Some useful links include:

- Lifestyle and brand images
- Training videos
- Sharable social media content
- POP merchandising guides & planograms
- Brand Guidelines

Learn how to update your site here:
