Everyone is an artist with Elastic Suite!

Our improved features like the *collection builder and branded dashboard* are elevating the B2B commerce experience for brands and retail buyers alike. With beautiful visuals at the forefront of Elastic sites, users are given a more exciting and expressive experience.

Here are some of the ways you can unleash your inner artist!

Collections

Curate an assortment for the upcoming season, and don't be afraid to get creative with it

Visual Commerce

Visually merchandise multi-shipment orders and design your entire season buy

Whiteboard

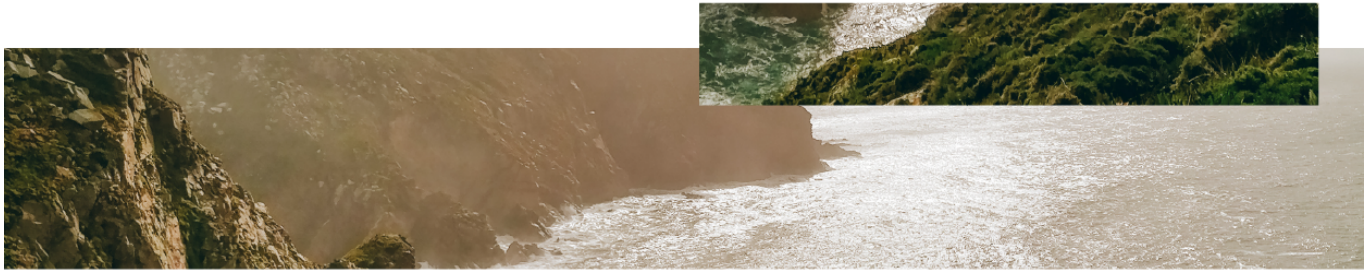

Imagine your next order or reconfigure your current stock in fun and inventive ways

B2B Reimagined

As innovators and artists at heart we're constantly looking to improve the Elastic experience. Learn more about why we reimagined our software.
